PROJECT PRAY IS COMMITTED TO PRAYER TRAINING AND MOBILIZATION - ALL WITH A GREAT AWAKENING IN VIEW.

To accomplish this, the ministry offers various conferences, training, schools and processes:

- 1. Schools of Prayer.** A variety of training focused on learning, experiencing and leading in the area of prayer. Or try the new PROJECT 52 DAYS PRAYER JOURNEY.
- 2. City-Prayer Power Conference.** Plenary and workshop speakers across a wide variety of prayer topics. Ten area churches come together as sponsors, preferably across denominational lines.
- 3. The Prayer Council Project.** The Prayer Council Project is a long-term process aimed at coaching a city, pastors and lay leaders, intercessors and para-church leaders, through a “Decade of Destiny” process – aimed at engaging the city with the gospel in fresh ways, out of a movement of compassion and care, and that, on the back of a pervasive prayer movement.
- 4. Prayer Summits.** This relational prayer and worship experience is a time of seeking the face of God with a focus on personal transformation and renewal. Here, prayer is learned by experience, laced with spontaneous content moments.

Dr. Douglas Small is providing cutting edge leadership, specifically in Schools of Prayer and his Prayer Impact Sunday events. He is spearheading many national and international prayer initiatives that are impacting and networking the Church worldwide toward the fulfillment of the Great Commission.

Dr. James O. Davis,
Cofounder/Billion Soul Network

Doug also speaks at many pastor’s conferences, regional and national events, as well as, local churches.

1 SCHOOLS OF PRAYER EXTENDED RENEWAL PROCESS

Schools of Prayer are seminars available in partnership with your church or organization. There are three main types of schools:

- **LEARNING** – Participants ‘learn’ about prayer. These are laced with prayer experience moments.
- **EXPERIENCING** – Participants experience the ‘doing’ of prayer. We learn to pray – by praying. There is no other way. These schools are laced with prayer teaching moments.
- **LEADING** – In these sessions, the focus is on those who will lead the prayer ministry or some component of it.

Tap a Deeper Prayer Stream in your Congregation!

Our two most popular Schools of Prayer: Transforming Your Personal Prayer Life and A Prayer Journey through the Tabernacle are now available as a seven week congregational prayer journey, called PROJECT 52 DAYS PRAYER JOURNEY.

- Plan a Saturday School of Prayer.
- Transform the event into a process that aims at making prayer a lifestyle.
- The Sunday after the event to the following Sunday, plan *Eight Days of Consecration*.
- Use the *Practicing the Principles Prayer Guide*, 30 Days (six weeks) following the event.

We’ll walk you through the process and provide idea and support materials, promotional materials and the speaker for the School of Prayer.

We recommend five sponsoring congregations. The commitment of the host church to the seven-week process of renewal is a major factor in the success of the School of Prayer. In some cases, we consider single congregations who want to host a school and may not be able to embrace the seven-week prayer renewal process.

3 THE PRAYER COUNCIL PROJECT

The Prayer Council Project is a long-term (5-10 years) process aimed at coaching a city, pastors and lay leaders, intercessors and para-church leaders, through a "Decade of Destiny" process – aimed at engaging the city with the gospel in fresh ways, out of a movement of compassion and care, and that, on the back of a pervasive prayer movement. It takes the reeducation of a core of city leaders to launch the project, we recommend a *Company of Seventy*, composed of laypeople, pastors and spiritual leaders, and intercessory mobilizers.

The book, 'Change Agent,' asserts that it takes "less than 3-5 percent of those operating at the tops of a cultural mountain to actually shift the values represented on that mountain." Randall Collins in 'The Sociology of Philosophies,' a relatively small number of elites have shaped civilizations. In all the social networks, the different culture/ social spheres, the number of world shapers, major and minor players, in recorded history is about 2700. Of those, some 150 to 300 have shaped our world in the last 2500 years.

Do you think your city/county might be a candidate for this 'Decade of Destiny' process? Cities must meet certain criteria for the process. Call us and let's talk about the process and possibilities.

Doug Small brings an engaging, energetic, and Holy Spirit sensitive voice to the body of Christ. The Holy Spirit is using him to connect Christians from across denominational lines and bring us back to a fresh understanding of our unity in Christ. Doug's passion for righteousness stirs my heart to prayer for our nation and world.

Dr. Doug Beacham,
 General Superintendent, International Pentecostal Holiness Church

2 CITY-PRAYER POWER CONFERENCE

This Project Pray City-wide Conference includes multiple plenary and breakout sessions with knowledgeable speakers from national organizations and outstanding churches.

These conferences are specifically tailored to your city/region or sponsoring congregations. Tracks could include personal prayer, children/youth prayer, intercessory prayer, pastor's and prayer leaders, prayer evangelism/revival. Option features include a pre-conference Prayer Trainer's Certification or post-conference City-Impact Seminar.

The lead time to organize and promote a City-Wide Project Pray Conference is 6-9 months. We require 10 sponsoring congregations.

4 PRAYER SUMMITS

These relational prayer and worship experiences have no set schedule, only a beginning and ending time. It is a facilitated group prayer experience, a time of seeking the face of God with a focus on personal transformation and renewal. Its simplicity and informality are disarming. The unscripted prayer experience is often laced with dynamic moments together that create unity, and mark the lives of participants.

Here, experience is paramount; content is incidental. The experience takes place in a circle where all are equal participants, all are pray-ers.

Every city should have an ongoing prayer summit effort, drawing together pastors, laity teams and each and every professional tribe. Only when they pray together, will they effectively work together.

Schedule a prayer summit; then, schedule a facilitator's training for your city.

WE WANT TO COME ALONGSIDE YOU AND MAKE A DIFFERENCE IN YOUR CONGREGATION AND CITY.

In keeping with Christ's prayerful pleading for unity among His followers (John 17: 21), there's no better evidence of our Spirit-Empowered discipleship than joining Him and others in united, prevailing prayer. God's passion for this unifying hope is being championed in a unique and powerful way through. His choice and faithful servant, Doug Small.

Dr. David Ferguson, President Intimate Life Ministries and the Great Commandment Network

I consider Doug to be one of the foremost authorities on prayer and spiritual awakening in our nation—a real treasure to the church. Doug not only understands the theology of prayer and city movement, but he is tremendous on giving practical leadership to leaders and teams that opens the windows of heaven. You will be deeply helped by Doug's ministry and materials!

Bill Elliff, Senior Teaching Pastor, The Summit Church, Little Rock|Conway, AR Pastor/Church Leader of OneCry!
